

Development Services Department  
Public Notice

There has been a recent change in the Town's process regarding impact fees and sewer fees. As of **May 1, 2009** the calculation and collection of impact fees and sewer tap fees will be handled by the North Brunswick Sanitary Sewer District. These fees must be taken care of before any zoning compliance permits will be issued. A receipt showing payment along with a compliance release form must be submitted with all development applications before they will be processed.

North Brunswick Sanitary Sewer District can be contacted at:
